GOVT OF MYSORE

Read, Read. 18-92

Letter dated 16th January 1893, from Mr. Srinivasa Iyengar, Assistant Surgeon attached to Head Quarters establishments.

Order.

In the foregoing letter, the Assistant Surgeon brings to notice that his prescriptions for Govt. Officials upon whom he is attending, and such of them as are too poor to have their prescriptions made up at Chemists' shops, are refused to be made up at the Govt. Establishments in

in St. Martha's Hospital
and that of late, the
resident Asstt. Surgeon
Mr. Lutchmanaswami
has been interfering with
him in the discharge
of his legitimate duties
in a manner calcu-
- lated to impair the
confidence of patients
in Mr. Srinivasa Iyengar,
and what is more serious,
to make those patients
suffer for want of timely
treatment. The Assistant
Surgeon submits Cor-
- respondence in a particular
case in which Mr. Srinivasa
Iyengar

taken place, and adding

"I am now in a fix and

"do not know which

"treatment to follow.

"The wound (caused by the

"morning's operation) has

"been paining me awfully.

"It is yet left undressed.

"You will highly oblige

"me by favoring me with

"an early instruction as

"to what should be done".

Some letters have been

exchanged between the

resident Asst to Surgeon

Mr. Lutchmanaswami and

the Assistant Surgeon

Mr. Srinivasa Iyengar

on the incident, but

these furnish no Explanation

of

GOVERNMENT OF MYSORE

of the circumstances under which Sub Assis^t to Surgeon Hanumansingh was deputed to see the patient whom Mr. Srinivasa Iyengar had already in hand and to prescribe a different course of treatment. The Correspondence ends with resident Assis^t to Surgeon Mr. Lutchmanaswami writing to Assistant Surgeon Mr. Srinivasa Iyengar to say "we have no orders to "make up your prescriptions "for private patients and "for officials other than "those belonging to Head "Quarters' Establishment. If "you want such prescriptions "to be made up here

(at

"(at St. Marthas') you
"must refer the matter
"to the Senior Surgeon
"and obtain his orders on it."
If this was really what
prevented the prescription
given by Mr. Srinivasa
Iyengar being made up
at St. Marthas', it is
curious that it did not
prevent Sub Asst. to Hanu-
-man Singh's prescription
being made up at the
Hospital - But as a
matter of fact, the
official is a Chief minis-
-terial official of one
of the Courts at Head
Quarters and entitled
to

to Mr Srinivasa Iyengar's
Medical attendance. His
wound was a wound on
the leg which prevented his
walking to the Hospital
2. The Government
view the incident with
regret and regard resi-
-dent Assistant Surgeon
Mr Lutchmanaswami's Coni-
-duct with displeasure
as being Equally unpro-
-fessional and inhumane
If there was nothing else
in the matter, it was
at least the duty of the
resident Assis.te Surgeon
to have the prescription
made up at St Marthas
Hospital and charge
a price for it under
the

the orders contained in Government Pro: No. 9595 & 2275-92 dated 23rd December last. The Senior Surgeon will convey these observations to the Asst. Surgeon Mr. Lutchmanaswami. Govt observe that this incident occurred during the Senior Surgeon's absence. It shows that the Assistant Surgeon above named, is not yet fit for an independent charge.

Sir,

With reference to your letter No. 16054 G.H. 394-92 dated 24th March 1893 with enclosures, I have the honor to state that Assistant Surgeon M. Sreenivasa Iyengar has already been informed that I have no objection to have his prescription for any Government official who is entitled to medicine gratuitously made up at St Marthas Hospital or at the new dispensary, but private patients of Mr Sreenivasa Iyengar are not entitled to similar privileges and there was in my opinion no necessity for Mr. Sreenivasa Iyengar to go to the Chief Secretary about it.
